## **Medico-legal Reports**

My current terms and conditions are:

I charge £275 per hour to produce reports, with most reports taking between 5-10 hours. If a report takes longer than 10 hours to prepare, the instructing Solicitor will be informed prior to continuing the report.

To see a patient to provide a clinical assessment I charge a set fee of £250.

Simple reports involving groin pain and groin hernia surgery, I charge a set fee of £750 including patient review and clinical examination of under 4 pages in length.

My opinion as an independent witness will be provided with great care using my experience and knowledge with the relevant and up to date literature review.

If you are in agreement to the above terms, please provide written instructions with a full set of case notes.

Reports provided to date are for Claimants and Defendants.

### ***Court Appearances***

If asked to attend court as an expert witness my fee for the day is £2000 plus travel costs at 40p per mile or standard class open return by rail. Accommodation costs will be added if required.

Depending upon the case and location as well as court scheduling, the daily court attendance rate is 50% payable if I am cancelled within 14 days, 75% if within 7 days and full fee payable if cancelled within 48 hours.

### ***Conference calls and attendances***

If asked to attend chambers for a conference or take calls, I charge £275 per hour for my time, which will include travel time.
